Alexandria Gazette 1878

The Way to Good Times.—The Franklin (Pa.) Press points to the following path as the way to good times:

"Curse the capitalists; frighten them all you can. Do not let them go into business. If they show any disposition to do so call a meeting; get up a set of rules and regulations for managing the business so as to break them up as soon as possible, and threaten those who will not go in under the rules until they gather up their money and leave the country, as they have already begun to do. Nothing helps them so much as to let men know that if they get more by working hard than you do by idleness that you will compel them to divide. They will work all the harder for such encouragement. Go right shead with your communistic speeches; they are doing a great deal of good. All that is necessary is to follow it up, and we will soon be on the ground floor, all equal—all poor, all idle, all worthless."

IN A POOR HOUSE, -- Monteller Utz, at one time, perhaps, as wealthy a man as lived in Page county, Va., was, on last Tuesday, taken to the county poor house as a pauper. He was taken thither by Edward Stroll, of Shenandoah Iron Works district, who bought for him at a store in town a suit of clothes on his way there, as those he was wearing were insufficient to hide his nakedness. Before the war he owned 1,550 acres of land and 43 slaves, besides much other valuable property. His property was lost through mismanagement. He has in this county no relatives that we know of.-Page Courier.

JANNEY'S WHARF.

ICE CREAM, SODA WATER, &c. ICE CREAM.

My Ice Cream Manufactory, one of the largest in Virginia, still continues to supply private customers, Sunday schools, excursions, picnics, fairs, festivals and associations, as well as the trade, with that SUPERIOR CREAM that has made a name in this community, and is known everywhere as BRENGLE'S ICE CREAM. I could easily reduce its price by lowering its quality, but good cream, of fresh, pure, wholesome ingredients, cannot be furnished at a less price than I serve it. Of course, I could "grade my cream by the price," but my cream would lose the good name that years of fair dealing have won for it. I ask that persons abroad ordering "Brengle's Cream" from third parties will assure themselves that the cream sent is certainly from my establishment. I warrant my cream, and do not wish that inferior cream, sent out as mine, may injure its reputation. It is my aim mine, may injure its reputation. It is my aim to furnish the BEST CREAM IN AMERICA, and my customers are satisfied that I do so.
